REAL ESTATE SELLS AFTER LOT 50

Parcel 1 sells first, parcel 2 sells second then totaled 5% added and offered as a whole.

BROKER'S COMMENT: An extremely well planned sportsman's getaway, well built with excellent workmanship. All improvements are almost new. Property is wooded and beautiful. Less than 45 minutes drive time to Hobby Airport. I am proud to present this property to you at ABSOLUTE AUCTION. E.C. Larkin Jr.

Parcel 1

28.263 acres fenced with 472.15' on County Road 528. A coded electric gate and security cameras protect the entrance. Concrete driveway, parking pad and equipment yard. Crushed concrete drive 8' wide along the northern fence-line that runs the entire length of the property.

The property is completely wooded and has a half-acre pond, with 2 fountains, a covered deck and floating 12' x 12' dock. The deck is wired, plumbed for a sink and shower, and comes with a Magic Chef mini refrigerator.

Features a 600-yard shooting range with targets at 50, 100, 200, 300, 400, 500, and 600 yards. The shooting house is a wood frame 14' x 10' wired building that has an A/C and a Magic Chef mini refrigerator.

Pre-fabricated metal building is focal point of property, utilized as living quarters and as the shop. Overall, the structure is 60' x 130', and is divided into three sections – living area, shop, and cleanup.

The living quarters (2,432 square feet +/-) are in 31' x 60' of the building and is two stories. Downstairs the living room/den area, kitchen, office, safe, utility and half bath have acid stained concrete flooring. The master bedroom is carpeted and the master bath is tiled. With the exception of the living room, the walls and ceiling are painted sheetrock with a knock down finish. The living room is pine wood paneling with a corrugated metal ceiling and has a wood-burning fireplace with stone hearth.

The kitchen has solid surface countertops, wood cabinets and an island work station. The appliances are all stainless steel and are as follows:

Range – GE Adora Series. Double oven and four eyes.

Microwave – GE Advantium 120 Profile series, model SCA1001KSS 02 S/HT900423K

Refrigerator – Samsung model RF31FMEDBSR/AA, S/W65743BF300144M

Dishwasher – GE model GLD6966R10SS, S/LT746128B

The master bath has a tiled walk-in shower, double vanity, toilet closet and garden tub.

A walk-in 7.5' x 12' gun safe is located in the office area, with space for 42 long-guns with ample cabinet storage space for handguns, ammunition, cleaning supplies and reloading equipment.

The upstairs living area is divided into a workout room and a bedroom, which has a closet and bath. The bath has a walk-in fiberglass shower, single corner vanity, and toilet and has a vinyl floor. The entire upstairs is 572 sq. ft. The entire upstairs is sheetrock and the workout room and bedroom are carpeted.

There is storage on either side of the upstairs living area. The electric hot water heater is located in the south storage area. It is an 80 gallon Bradford-White model #M280R6DS-1NCWW, S/GD13299965.

Porches A 15' x 60' porch stretches across the front of the living quarters and a 22' x 17' porch/patio area on the west side overlooks the pond and fire pit.

The shop is 60' x 60', insulated, wired and plumbed, with cement floor, two storage closets and multiple storage racks. Featuring (12) 6-bulb lights and a 10 blade 14' Big Ass Fan in the ceiling. Four roll-up doors access the shop, 3 are 14' x 14' and the fourth is 12' x 10'. Two of the 14' doors are on the east side of the building facing the road and have 14' x 18' concrete pads in front of them. The 12' door is on the west side of the shop. The third 14' door is on the south side of the shop and exits into the cleanup area.

The cleanup area is 24' x 60', is wired, has water and concrete floor.

There is a 10' x 21' covered dog kennel located on the south side of the shop, divided into two pens and connected to the shop.
